

CROSSING BORDERS

If you live in the border states, you can cross international borders and visit our neighbors to the north or south. But what do you need to know? This seminar explains the immigration and customs process and the programs that enable boaters to easily cross into Canada, Mexico or the Bahamas. Be prepared by having the correct documents; we can help you get there. Each student receives a full color Student Guide especially written for the seminar.

What's Included?

- Understand the immigration and customs process
- Prepare and carry the correct documents for your crossing
- Who are and how to contact the proper authorities
- Timelines for the entry and departure processes
- What can't be carried across the borders

Les Smith will be presenting the Crossing Borders seminar on May 24th from 6 – 8 p.m. at the Town of Binghamton Volunteer Fire Company, Station#1 at 967 Pennsylvania Ave., Binghamton, NY 13903. There is no charge to attend the seminar, however, you will have the opportunity to purchase the 50 page seminar “student guide” book for \$25.00. The seminar is limited to the first 12 people to sign up. If needed, we will have a second offering of the seminar at the same location sometime in early June (possibly on June 7th).

Please respond by Friday, May 20th via email to lsmith84@stny.rr.com. Indicate who is attending and if you are going to purchase the student guide for \$25.00. If you have any questions or concerns, you may call Les Smith at 607-797-7391.
